10 Vornado air circulators

Comfort all year round

The Vornado 630A does more than just expel air, it also circulates it. Through its signature Vortex action, the Vornado 630A air circulator literally bends and twists air. The result is a gentle and refreshing breeze throughout your entire room. It's also designed to blow heated air during the colder months and cool air in summer, keeping you comfortable all year round. We have 10 Vornado air circulators, valued at \$139 each, up for grabs. Visit www.vornado.com.au
